The Board reviewed the 2007 TGIF series. The Board agreed that the 2007 series was successful and that the program continues to grow. The Board liked the concert at Foxfield Park. The Board recommended that additional parks be considered for events since it opens the program up to more residents. The Board also agreed that the teen band concert after the Concert in the Park was a nice addition and that staff should continue to work with Agoura High School to select a teen band to play after the Concert in the Park.
