July 2009

Dear Parents:

The City of Westlake Village will once again operate a fixed route bus system this year designed to serve students attending White Oak, St. Jude, Lindero Canyon and Agoura High schools. The bus program will commence on **August 26, 2009**. The schedule of bus stops for each school is attached. The price for a round-trip pass for the school year is **\$198** per student and a one-way pass for either mornings or afternoons is **\$132**, for those not wishing to purchase an annual pass, the individual one-way fare is **\$1.00** per trip, which is payable upon boarding the bus.

Please note that the schedule has been established to coincide with each **school's regular daily schedule** and will not operate when school is not in session. Routes have been designed and refined over the past several years in order to operate as efficiently as possible and to best serve the needs of the majority of people. Therefore, changes to the routes and stops will not be considered unless special circumstances exist. We regret that the routes cannot always be equally convenient for each rider. It is also important to note that Westlake Village Transit is a public transit system since it is funded from Proposition A and C monies, and subsidized by the City of Westlake Village. However, since the routes are designed specifically for the schools, our experience has been that students are the exclusive users of the service. Changes to regular school schedules cannot always be accommodated by the Westlake Village Transit Service.

If you are interested in participating in this program, it is necessary to review and complete the enclosed application form. Please indicate on the application for each student, which option is being selected (round-trip pass or one-way pass), and the bus route your child will use. A list of the Bus Pass Rules of Conduct governing students' behavior is also attached. It is requested that the student and a parent sign the application to indicate that the student has read and will comply with the rules. All rules will be strictly enforced. **Additionally, the City has produced a bus safety video, "Ride the Bus". Please take a moment to view this video with your child about important safety tips when walking to and exiting the Westlake Village Transit bus. This video can be found on the City's website, www.wlv.org, in the City Services link under Transportation and is also shown on WVTV Channel 10.**

For your convenience, a mail-in period has been provided until *August 19, 2009*. Please send the completed application, payment and a self-addressed stamped envelope to the City of Westlake Village, 31200 Oak Crest Drive, Westlake Village, CA 91361. Bus passes will be mailed back to you upon receipt of the signed application, payment, and enclosure of a self-addressed, stamped envelope. Any registration received after the mail-in period (*August 19, 2009*) must be processed in person at City Hall. The City only accepts cash or your check for payment. Office hours are from 8:00 am to 5:00 pm, Monday through Friday.

If you have any questions, please contact the City offices at (818) 706-1613.

Sincerely,

Brianne Anderson
Community Services Coordinator
