Back Cover

INSTRUCTIONS FOR OPTO-MARK BALLOTS

INSTRUCTIONS TO VOTERS:

To vote for any candidate whose name appears on the ballot, completely fill in the oval ● in the area to the right of the arrow pointing from the candidate(s) of your choice with a **BLACK OR DARK COLORED PEN ONLY!**

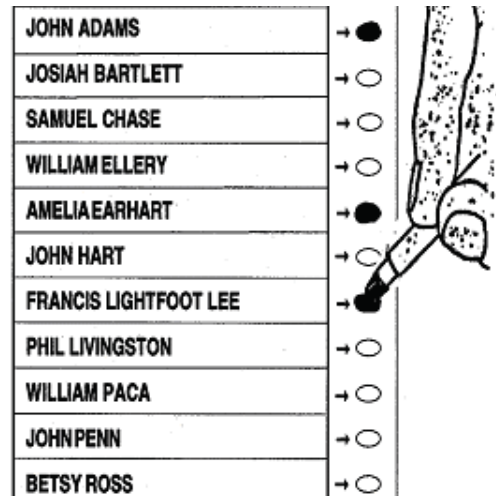

Where two or more candidates for the same office are to be elected, vote for all candidates for that office for whom you desire to vote, not to exceed, however, the number of candidates who are to be elected.

To vote for a qualified write-in candidate (a person not listed on the ballot), write the name of the qualified write-in candidate in the blank space provided for that purpose under the appropriate office heading and completely fill in the oval ● in the area to the right of the name written in. You must fill in the oval next to the name you write in or your vote will not be counted.

To vote on any measure, completely fill in the oval ● in the area to the right of the arrow pointing from the word "YES" or from the word "NO" with a **BLACK OR DARK COLORED PEN ONLY!**

All marks except the voting mark are forbidden. All distinguishing marks or erasures are forbidden and make the ballot void.

If you wrongly mark, tear or deface the ballot card, return it to the precinct board member and obtain another.

I HAVE VOTED - HAVE YOU?

**FOR
MEMBER OF THE CITY COUNCIL**

NED E. DAVIS

Occupation: CEO/Management Executive

Keep the "village" in Westlake Village. Vote Ned E. Davis for City Council.

Helen (married 1981) and I moved to Westlake Village 1993. We are raising 3 children ages 13, 15, 17. Since 2004, I have been on the Las Virgenes Education Foundation Board and serve on LVUSD Technology Vision, and Measure E Oversight Committees. Since 2002, I have served on Westlake Village Cultural Recreation Advisory Committee, and since 1998 on Westlake Trails HOA Board, serving 8 years on the Architectural Committee and President for the past 6 years.

As President and CEO of Azure Blues, Inc. (est. 1990) I am a professional management consultant to entertainment and service corporations. Utilizing my UCLA BA (1980) and Pepperdine MBA (1998), my focus is Human Resources & Benefits, IT Management and Corporate Workflow Systems for companies with 2 to 150 employees.

Every piece of Westlake Village land is precious. We must manage resources well to keep our friendly open-country feeling as well as maintaining property values. I ask for your vote to add my leadership, experience, and common sense approach as your voice on the City Council to enhance the well-balanced, safe community our friends and neighbors championed over the past 40 years.

/s/ Ned E. Davis

**FOR
MEMBER OF THE CITY COUNCIL**

PHILIPPA KLESSIG

Occupation: Councilmember/Businesswoman

Throughout my first term in office, I am proud that my leadership style and strong community involvement have benefited Westlake Village and its citizens. My guidance has played a role in helping the city realize major streetscape enhancements, reduced fiscal debt, more family events, new services such as E-waste pickup and Sunday library hours, increased support of our public schools, better communications with our residents, along with a growing sense of community.

Together we have accomplished a lot and together we have more to do. I am asking for your vote and support for the next four years.

Listening to and looking forward with you has helped me shape the following priorities:

- Keeping a lid on traffic
- Expanded park development
- Increasing bicycle and pedestrian safety
- More recreational opportunities for our youth
- Continued enhancement of all our roadways
- Keeping our home values strong
- Fostering cooperation between our neighboring cities to strengthen our greater community

Serving as your elected councilmember has truly been rewarding, and I welcome the opportunity to serve you again.

/s/ Philippa Klessig

**FOR
MEMBER OF THE CITY COUNCIL**

CAROL A. KIRSCHBAUM

Why I am running?

I seek to unify our community around the goal of preserving Westlake as a village. We need to safeguard Westlake Village from over-development, excessive traffic, and projects that destroy our quality of life. Our current planning process has resulted in projects that do not compliment our small village community.

Let's unite around a better planning process. Let's obtain better results by involving greater expertise and community involvement in planning developments that enhance the character of our city!

My Experience

I retired as the risk manager for a publicly held engineering/architectural firm with 27 subsidiaries. I implemented risk management strategies involving insurance, negotiation, litigation review and dispute resolution.

My husband and I have been involved residents of Westlake Village for 20 years. I have been active in the community --

Westlake Island POA, Vice-President, Board Liaison to the Architectural Committee. I led the design and development of our new guardhouse, landscaping and lighting project.

WLMA, Executive Board and Chairperson, Rules and Regulations Committee.

Board of Create-a-Smile, Animal Assisted Therapy; WLV Grants Program Committee; Vice-President, Angel's Board of Directors, Casa Pacifica; WLV Women's Club.

Please support me with your vote!

/s/ Carol A. Kirschbaum

**FOR
MEMBER OF THE CITY COUNCIL**

THEODORE R. CORWIN, M.D.

Occupation: Plastic Surgeon

For 30 years I have owned a home and a medical practice in Westlake Village. My children, ages 14 and 18, have attended White Oak Elementary, Lindero Canyon Middle School and Agoura High School. My family has benefitted from living in this wonderful city and it is time to give back to my community.

If elected to the city council, I would promote the building of a community center, a gathering place for concerts, activities, and events of community interest. I'd advocate better access to technology in our schools, better cell phone reception, and improved lighting of streets.

I would foster a community wellness initiative that would include an increase in walking, hiking and biking trails, activities that encourage healthy living, a return of the Farmer's Market, and improved emergency medical response services. I believe residents of all ages would benefit from park improvements, the acquisition of open space, and more access to recreational programs.

Since community programs are funded by our local businesses which provide our strong economic base, I would encourage cooperation with the business sector by continuing to be a business friendly city, but maintain community input.

/s/ Theodore R. Corwin, M.D.

**FOR
GOVERNING BOARD MEMBER OF THE
LAS VIRGENES JOINT UNIFIED SCHOOL DISTRICT**

TERILYN FINDERS

Occupation: School Board Member

Age: 47

As we face the demands of the 21st century – from technology-driven lifestyles and careers, to environmental and cultural concerns – we all recognize that investing in our youngest citizens today is our country's greatest hope for tomorrow.

True democracy stands on excellent public education; informed, capable, contributing citizens are cultivated through the strongest possible education, and I believe that the strongest possible education is a product of great partnerships between the full community -- parents, business and political leaders -- and schools.

I am most proud of these partnership accomplishments:

- Local Partners: Helped create and secure the first-ever plan whereby our four cities can contribute support to a single district focus – technology. With the cities' support, the District will deliver staffing support ensuring optimal impact for our technology investments.
- Partners in Sacramento: The Governor signed into law legislation that I helped create establishing the Autism Information and Training Center, ensuring the state supports schools in delivering services to the growing population of children with autism.

There is more to do, and I am willing to do it. I ask for your support so I can continue working for our children – our future.

Thank you.

/s/ Terilyn Finders

**FOR
GOVERNING BOARD MEMBER OF THE
LAS VIRGENES JOINT UNIFIED SCHOOL DISTRICT**

DANA S. GREENSPAN

As a board member, I will insist that Las Virgenes Unified School District be fiscally accountable while adopting better strategic thinking / planning. My priorities:

We must establish a sound budget and think clearly about budget priorities. Every penny of LVUSD's \$96,000,000 budget must benefit our students.

We must establish a pay schedule competitive with neighboring districts. We have difficulty attracting quality teachers and support staff, and have lost counselors to surrounding districts who pay more. We cannot offer excellence in education without our excellent teachers and support staff.

We must implement new technology more rapidly to improve student learning; improve communication with parents through real time access to assignments, grades, and attendance; help teachers analyze teaching strategies; and better utilize teacher and staff time.

WHY ME?

- LVUSD employee since 1994.
- 2006 LVUSD Classified Employee of the Year.
- 2006 Edward L. Masry Integrity Award recipient.
- Two sons attended LVUSD schools.
- PFC Treasurer / Room Parent.
- LVCA Board / Bargaining Team Member since 2005.
- Specialized training in school budget analysis.
- Twenty years finance experience: Business Manager, Los Angeles Magazine, and controller, real estate development companies.

Who Better Than Dana Greenspan?

/s/ Dana S. Greenspan

**FOR
GOVERNING BOARD MEMBER OF THE
LAS VIRGENES JOINT UNIFIED SCHOOL DISTRICT**

JILL GAINES

Occupation: Business Manager

Age: 48

I graduated from Tufts University with a degree in Child Study. After working as a special education teacher in Boston, I moved to California and earned an MBA from UCLA's Anderson Graduate School of Management. Since that time, I have worked in the private sector as a bank Vice President and CFO.

Over the past decade, I have been an active parent volunteer in our schools. I served as PFC President at Chaparral Elementary, Treasurer of the Las Virgenes Education Foundation, Vice President of Music Boosters at Calabasas High, and Co-Chair of the successful Measure G school bond campaign.

I bring an extensive knowledge in both the areas of education and finance. I believe we are at a crossroads with the many changes taking place within our District. We have the opportunity to look forward, take action, and provide even greater opportunities to our students.

I will work towards better communications and bridging the gap among our cities, schools, parents and teachers. As a School Board Member, I will look beyond the traditional framework and work proactively towards making positive and innovative changes for our students. I ask for your support.

Please visit www.JillGaines.com.

Thank you.

/s/ Jill Gaines

FULL TEXT OF BALLOT MEASURE E

INTRODUCTION AND PURPOSE

To continue to provide local revenue that cannot be taken by the State and to maintain the high quality of neighborhood schools, the Las Virgenes Unified School District proposes to maintain its expiring education parcel tax for a period of 8 years, beginning July 1, 2008, at the rate of \$98 per year, without increase, on each assessor's parcel located within the Las Virgenes Unified School District, with an exemption available for senior citizens and persons on Supplemental Security Income, and to implement accountability measures in connection with the special assessment that are over and above those required by law, including the appointment of an independent community advisory board to provide oversight and accountability to ensure the funds are used to:

- Sustain high academic achievement and ensure student success as academic needs evolve by maintaining essential academic programs, including science, math, reading, and the arts, while maintaining the ability to attract and retain quality teachers;
- Provide needed textbooks and instructional materials;
- Provide student counseling/support services;
- Provide program support for extra curricular/co-curricular activities;
- Protect the taxpayers' investment in education and ensure District accountability by providing for taxpayer oversight and independent financial audits of revenues and expenditures.

AMOUNT OF EDUCATION PARCEL TAX; PERIOD OF ASSESSMENT

The education parcel tax shall be \$98 (or less as provided below) per year for eight (8) full years assessed against each parcel within the boundaries of the Las Virgenes Unified School District. The proceeds of the education parcel tax shall be deposited into a separate account created by the District.

DEFINITION OF "PARCEL"

For purposes of the special tax, the term "Parcel" means any parcel of land which lies wholly or partially within the boundaries of the Las Virgenes Unified School District, for which the Assessor of either the County of Los Angeles or Ventura County, as applicable, has assigned an Assessor's parcel number.

EXEMPTION FOR CONTIGUOUS PARCELS

For purposes of this special tax, any such "Parcels" which are (i) contiguous, (ii) used solely for owner-occupied, single-family residential purposes, and (iii) held under identical ownership may, by submitting an application of the owners thereof by June 15 of each year to the Board of Education of the Las Virgenes Unified School District in accordance with rules and regulations adopted by the Board, be treated as a single "parcel" for purposes of the levy of this special tax.

EXEMPTION OF SENIORS AND SSI RECIPIENTS

Pursuant to the California Government Code Section 50079 (b), any owners who are either receiving Supplemental Security Income for a disability, regardless of age, or who are 65 years of age or older of a Parcel used solely for owner-occupied, single-family residential purposes may obtain an exemption from the education parcel tax by annually submitting an application by June 15 of each year to the Board of Education of the Las Virgenes Unified School District in accordance with rules and regulations adopted by the Board.

REDUCTION IN TAX IF RESULT IS LESS OTHER GOVERNMENT SUPPORT

The collection of the education parcel tax is not intended to decrease or offset any increase in local, state or federal government sources that would otherwise be available to the Las Virgenes Unified District during the period of the education parcel tax. In the event that the levy and collection does have such an effect, the Las Virgenes Unified School District shall cease the levy or shall reduce the special tax to the extent that such action would restore the amount of the decrease or offset.

ACCOUNTABILITY MEASURES

In accordance with the requirements of California Government Code sections 50075.1 and 50075.3, the following accountability measures, among others, shall apply to the education parcel tax levied in accordance with this Measure: (a) the specific purposes of the education parcel tax shall be those purposes identified above; (b) the proceeds of the education parcel tax shall be applied only to those specific purposes identified above; (c) a separate, special account shall be created into which the proceeds of the education parcel tax must be deposited; and (d) an annual written report shall be made to the Board of Education of the District showing (i) the amount of funds collected and expended from the proceeds of the education parcel tax and (ii) the status of any projects or programs required or authorized to be funded from the proceeds of the education parcel tax, as identified above.

In addition to the accountability measures required by law, and independent community oversight committee shall be reappointed by the Board of Education to advise the Board on the expenditures funded by the measure in order to ensure that said funds are spent for the purposes approved by the voters. The oversight committee will monitor the expenditures of these funds by the District and will report on an annual basis to the Board and community on how these funds have been spent.

IMPARTIAL ANALYSIS OF MEASURE E
By Raymond G. Fortner, Jr., County Counsel

Under this measure, the Las Virgenes Unified School District (“District”), is submitting a parcel tax measure, described below, to the voters for approval. The measure will become effective only if two-thirds (2/3) of the voters vote “Yes” on the measure.

The measure would authorize the District to levy a parcel tax of \$98 per year assessed against each parcel of real property within the boundaries of the District for eight (8) full years beginning July 1, 2008. Passage of this measure would continue the existing parcel tax that has been in place since 2004 and which is due to expire on June 30, 2008.

Parcels that will be subject to the tax include any parcel of land that lies wholly or partially within the boundaries of the District for which an assessor’s parcel number has been assigned. Contiguous parcels that are used solely for owner-occupied, single-family residential purposes and that are held under identical ownership may be treated as single parcels for purposes of this levy by annually submitting applications to the District’s board in accordance with the board’s rules and regulations. In addition, annual exemptions from the levy may be obtained for parcels used solely for owner-occupied, single-family residential purposes by owners who are at least 65 years of age or who, regardless of age, are receiving Supplemental Security Income.

In the event that the levy and collection of the parcel tax results in a decrease or offset of any increased in local, state or federal revenues, the District shall cease the levy or reduce the special tax to the extent that such action would restore the amount of the decrease or offset.

The measure requires that a separate account be created into which proceeds of the parcel tax must be deposited. In addition, a written report must be made annually to the District’s board showing the amount of funds collected and expended from the parcel tax proceeds and the status of projects or programs required or authorized to be funded from the proceeds. The measure also requires that an independent community oversight committee be reappointed by the District’s board to advise the board on the expenditures funded by the parcel tax to ensure the funds are spent for the approved purposes and to report to the board and the community on an annual basis as to how the funds have been spent.

ARGUMENT IN FAVOR OF MEASURE E

Great schools, terrific teachers, high test scores, graduates who go on to top colleges and an unwavering focus on student achievement — these are the reasons that our community is so proud of our Las Virgenes Unified School District.

Local schools serve families in Calabasas, Agoura Hills, Westlake Village, Bell Canyon and Hidden Hills. Great schools provide strong local property values and a sense of community.

To maintain academic excellence in neighborhood schools, including top math and science programs, smaller class sizes, and exceptional teachers — **without raising taxes** — please join us and vote Yes to renew Measure E.

Measure E simply continues existing funding previously approved by local voters.

A Yes vote helps preserve our great schools and prevents funding cuts — without raising taxes.

Measure E means updated textbooks and instructional materials so every student receives a 21st century education.

Measure E expands and improves math and science classes.

Measure E retains and attracts excellent teachers by helping achieve competitive salaries.

Measure E helps maintain lower class sizes so students succeed.

Measure E provides college and career counselors for local high school students.

Measure E sustains high student achievement in reading, writing and mathematics at all grade levels.

Measure E supports elementary school instructional specialists so local students have a strong educational foundation.

Measure E helps maintain arts and music education.

Measure E supports instruction in computer technology for teachers and students.

Measure E allows local schools to continue receiving nearly \$2 million / year to maintain high quality educational programs.

Measure E includes citizen oversight, ensuring that all funds are spent wisely to maintain excellent education in neighborhood schools and allows exemption for senior citizens.

All Measure E funds stay right here in local schools — the state can't take a single dime.

Help local students continue to excel, without raising taxes —

Vote Yes on Measure E.
