

## Park Re-Openings POSTPONED

In order to limit the spread of COVID-19, and protect our community, our City has postponed the re-opening of the Westlake Village Dog Park, Skate Park, and all park restrooms.

Please review the City Park Infographic for a list of what is open and closed. Remember to follow all public health orders when using the parks:

- Do not come to the park if you are feeling sick.
- Practice good hygiene - wear gloves, frequent handwashing, and use sanitizers.
- Please maintain at least six (6) feet of physical separation between you and people outside your household.
- Please do not gather with others.
- No organized sports.

Please visit [www.WLV.org](http://www.WLV.org) for the latest updates on parks and amenities.

### WESTLAKE VILLAGE CITY PARKS WHAT'S OPEN & WHAT'S CLOSED EFFECTIVE JULY 1, 2020

Westlake Village park users are required to continue social distancing by keeping physical distances of a minimum of 6 feet, not congregating as a group at City parks, and wearing cloth face coverings per the CDC guidelines.

 (Westlake Village Community Park is open for limited use between the hours of 6am and 8 p.m.) **solely for:**

- WALKING
- JOGGING
- RUNNING
- BIKING

• SIMILAR ACTIVITIES  
 (with social distancing protocols)

**LIMITED OPENING**

- GOLF COURSES with guidelines
- L.A. COUNTY TRAILS with guidelines (check [wlv.org](http://wlv.org) for guidelines)

**WHAT'S CLOSED**

- PLAYGROUNDS
- PARK RESTROOMS
- PICNIC PAVILIONS
- DRINKING FOUNTAINS
- BASKETBALL COURTS
- SKATE PARK
- WESTLAKE VILLAGE DOG PARK
- GROUP GATHERINGS AND ORGANIZED SPORTS ACTIVITIES ARE NOT ALLOWED

Please visit [wlv.org](http://wlv.org) for more information.

### What You Need to Know About COVID-19

## EXPANDED LIST OF COVID-19 SYMPTOMS

- Fever or chills
- Cough
- Shortness of breath or difficulty breathing
- Fatigue
- Muscle or body aches
- Headache
- New loss of taste or smell
- Sore throat
- Congestion or runny nose
- Nausea or vomiting

Call your provider if you are experiencing even mild illness. If you need a provider, you can call 2-1-1 and they can connect you to one.

For more information, visit: [publichealth.lacounty.gov/coronavirus](http://publichealth.lacounty.gov/coronavirus)

## COVID-19 Information Hub

Shortly after our City Council proclaimed a state of emergency in mid-March, City staff launched a dedicated COVID-19 information hub to bring you everything you need to know about the crisis. Visit [www.WLV.org](http://www.WLV.org) and click on "COVID-19 Information Hub" to view daily updates on important information, business recovery resources, community support programs, Public Health orders, and more. Residents can also sign up for the City's primary emergency notification system on the information page. For questions, please contact City Hall at (818) 706-1613.

# Face Coverings Required In Public Spaces

Your health and safety are extremely important to our City Council and we want to remind everyone to please do their part to stop the spread of the virus. Cloth face coverings or masks help reduce the spread of coronavirus especially when combined with physical distancing and frequent hand washing.

As of June 18, Californians must wear face coverings in common and public indoor spaces and outdoors when distancing is not possible. It is crucial that we continue to slow the spread. Your actions make a difference. Learn more about the guidelines at [COVID19.CA.GOV](https://www.covid19.ca.gov).

## Follow us on

Did you know that the City has a Facebook page? Make sure to like and follow the page [www.facebook.com/wlv.org](https://www.facebook.com/wlv.org) to be connected to all of the highlights of the summer, news, and updates from the City.

“Path To Positive Aging” Lecture Series –

# Now Virtual!

Tune in with Senior Concerns for “Planning in the Time of COVID-19”. This free lecture will be hosted virtually through Zoom on Thursday, July 9 at 4:00 p.m. Join this workshop to understand healthcare decisions, document and communicate those decisions, and ensure that your wishes carry on. For more information and to reserve your spot today, please email [info@seniorconcerns.org](mailto:info@seniorconcerns.org) or call (805) 497-0189. You will receive a Zoom link upon receipt of your reservation.

## UPDATES TO THE L.A. COUNTY PUBLIC HEALTH ORDER

Effective July 1 until further notice

- Restaurants are closed for indoor dining.
- Outdoor dining, delivery and take-out permitted.
- Indoor areas of museums, zoos and aquariums are closed.
- Card rooms and satellite wagering facilities are closed.
- Staff and patrons of gyms must wear cloth face coverings and gloves.

To view the full updated Public Health Officer Order go to [ReadyWLV.org](http://ReadyWLV.org).

A Note from City Manager

# Rob de Geus

Our City operates on a fiscal year from July 1 – June 30, therefore July represents a new year of sorts, so happy new year everyone, and happy July 4th! We ended the fiscal year with the approval of the North Business Park Specific Plan (NBSP). This is a significant achievement, not only because this land use planning effort has been underway for more than ten years, but because it sets the stage for reinvestment and revitalization of the aging Business Park. For more information on this plan, visit [www.WLV.org/NBPSP](http://www.WLV.org/NBPSP).

As we look forward to the year ahead, we must face the reality of an ongoing COVID-19 environment. Residents of Westlake Village, along with the City and business community, have been very responsible throughout this public health crisis. We were vigilant in our adherence to the Safer at Home mandates and have kept the infection rates low in our City. Now, as we re-open, we must remain vigilant and continue to adhere to guidelines. We must all follow the protocols of face coverings, physical distancing, and sanitizing when in public places. Please take advantage of the local resources and information regarding COVID-19 at [www.ReadyWLV.org](http://www.ReadyWLV.org). With your help we will get through this together.

# PET SAFETY TIPS

With the weather starting to warm up and residents spending more times outdoors, our City would like to remind you of some important safety tips regarding your pets. These tips are for both the safety of the pet as well as residents who may need to interact with an escaped pet or wildlife.

- **ID** Microchipping can be an easy and quick way to help locate lost pets. Pet owners need to make sure they register their pet's microchip. Information should be updated each time a person moves, changes their phone number, or e-mail address. Pet licenses are required in the City for both dogs and cats. Pet licenses are available at the LA County Animal Control Agoura Shelter.
- **VEHICLES** Never leave your pets unattended inside a parked car, even with the windows rolled down a few inches. This is against state law and can result in legal action or broken windows. Please remember that cars heat up quickly, even on cool days this can pose a serious danger to pets, children, and the elderly.
- **POOL SAFETY** Similar to having children in a pool area, the same supervision guidelines apply to pets. It is recommended for family water safety that gates be installed and that locks be high up where they cannot be reached by children or pets.
- **WALKS** Sidewalks and streets heat up during the summer months and a good rule of thumb is "If it's too hot for the palm of your hand, it is too hot for your pet's paws." If you walk your dog at night, make sure to wear reflective or light-colored clothing and use a light reflecting leash, harness, or collar on your pet. Although we know you love your pets, not everyone else walking is interested in them. Please keep dogs on leash when walking, hiking or in the park. Always ask permission before petting another person's animal.
- **PESTICIDES/TOXINS** There are many plants, household cleaners and foods that may be harmful to your pet and other wildlife. For information on harmful products, contact your local animal poison hotline or the ASPCA at (888) 426-4435.
- **CLEAN-UP** Please carry dog waste bags or use the bag-dispenser stations around the City to pick up your pet's waste. Please dispose of it properly to keep our city and waterways clean!

## CITY COUNCIL

MAYOR	<b>KELLY HONIG</b>
MAYOR PRO TEM	<b>SUSAN MCSWEENEY</b>
COUNCILMEMBER	<b>BRAD HALPERN</b>
COUNCILMEMBER	<b>RAY PEARL</b>
COUNCILMEMBER	<b>NED E DAVIS</b>

## Upcoming Special City Council Meetings.

July 8 and 22, 2020

City Council meetings can be seen live on WTV Channel 10 and via web streaming on [www.WLV.org](http://www.WLV.org).

## GREEN TIP: What is Composting and How do I Start?

Composting is the decomposition of plant remains and other once-living materials to make an earthy, dark, crumbly substance that is excellent for adding to houseplants or enriching garden soil. It is a way to recycle your yard and kitchen waste and is a critical step in reducing the volume of garbage needlessly sent to landfills for disposal.

City residents are eligible to receive one free tumbler-type home composting container. There are a limited number of units available per year so call now! Residents may request the tumbler by calling (805) 955-4342. There is a \$35 delivery fee and home assembly required.
