NOTICE OF HOUSING ELEMENT WORKSHOP

The Westlake Village City Council will hold a virtual public Study Session and Workshop at 5:00pm on Wednesday February 24, 2021. The public is invited and encouraged to participate in the public Study Session and Workshop.

A Housing Element is a plan for housing that is completed on an 8-year cycle. All cities and counties in California must prepare and adopt Housing Elements. The Housing Element will respond to new State laws, evaluate housing needs, identify sites for new housing as necessary, and include proposals or programs to meet housing needs for current and future residents.

The purpose of this workshop is to provide an overview of the 6th Cycle Housing Element update and new State Housing laws. This is the first of two Study Sessions that will be held during the update process. The second Study Session will be held in the spring to discuss and consider updates to the City's Housing Element. More information about the update to the Housing Element can be found at the City's website at www.WLV.org/453/Housing-Element

Please note that, pursuant to the State of California Governor's Executive Order N-29-20, and in the interest of the public health and safety, members of the City Council, Staff, and public may attend the meeting virtually via zoom teleconference service.
