DESCRIPTION OF PROGRAM:

The City's 2020 Community Service Grant Program is intended to provide monetary grants to eligible community non-profit organizations. The City recognizes the value of such groups, which provide specialized social services and cultural programs benefitting its citizens. All groups are eligible to apply, however, not all groups may receive funding. Grants awarded will be in minimum amounts of not less than $250. Funding is limited for Grant Year 2020.

ELIGIBILITY STANDARDS:

To be eligible to apply for grant monies under the City's 2020 Community Service Grant Program, a community non-profit organization must satisfy the following standards: (1) serve the greater City of Westlake Village community and; (2) operate as a not-for-profit organization; (3) directly provide the social service(s), educational or cultural program(s) for which grant monies are sought; (4) not be a pervasively sectarian religious institution; and, (5) not propose to use grant monies for specifically religious activities.

"Directly provide" means that the community non-profit organization conducts the social service(s) or cultural program(s) itself rather than through a separate entity to which it sub-awards grant monies. A community non-profit organization that is affiliated with a church, synagogue, mosque or similar entity shall not be deemed a "pervasively sectarian religious institution."

Applications received from public education institutions will be reviewed by the City's Cultural Recreation Committee. Applicants may be asked to attend a public meeting to address the Committee, answer questions, clarify their use of funds, etc. All proposals will be evaluated to ascertain which non-profit organizations best meet the social service and cultural program needs that the City seeks to satisfy. Factors to be considered include, but are not limited to, the following:

A. The non-profit organization's responsiveness in clearly stating the benefits to be derived by the residents of the City of Westlake Village, if grant funds are awarded;

B. The number of City of Westlake Village residents by age group served by the non-profit organization; geographic area(s) and total number of clients served by the non-profit organization;

C. The non-profit organization's history of providing community services to the residents of the City of Westlake Village; and

D. The non-profit organization's financial need for grant funds to service the City of Westlake Village residents.

IV. Award of Funds

Following the Community Service Grant Committee's screening process, the Committee will present its recommendations to the City Council. The City Council will review the Committee's report and consider award of funds to selected
non-profit organizations. In all cases, the City Council retains sole and absolute discretion in administering this program, including which applicants will be awarded funds and the total level of funding in each instance.

V. Execution of Agreement

Non-profit organizations selected to receive funds will be required to sign and execute an agreement with the City of Westlake Village (see attached sample agreement). NOTE: If award of funds is made, a recipient non-profit organization will be required to expend grant monies prior to the close of the 2019 calendar year.
