Important Notes:

*All times are approximate, and it should be noted that there could be a delay in time due to traffic patterns. Exact drop off times are still being refined in partnership with Durham Transportation Services and the School District.

*Due to the driver shortage, students will be picked up twice at White Oak Elementary School, however, stops will not be serviced twice. Students may wish to use a stop that is closer to their home to avoid having to ride the bus for an extended duration to reach a closer stop.
