Re: Ordinance 300-23 (Outdoor Dining) – Support

Dear Mayor Pearl and Councilmembers,

On behalf of the more than 800 members of the Greater Conejo Valley Chamber of Commerce I am writing in support of Public Hearing Item #2 (Ordinance 300-23).

This policy makes it easier for a restaurant in Westlake Village to obtain a temporary use permit to utilize outdoor dining. In particular, the changes which would allow this permit to be obtained over the counter, rather than requiring review at the council will be much more convenient for local businesses.

It strikes the right balance between our local government ensuring the enforcement of local design standards while also making it easy for businesses to navigate their local government. It’s a great benefit for local businesses and also for local residents who get to enjoy outdoor dining. I urge your support of this item.

Thank you for your thoughtful consideration of this matter. We appreciate the excellent partnership between our Chamber at the City of Westlake Village. If you have any questions, please contact me at 805-370-0035 or dborja@conejochamber.org.

Sincerely,

Danielle Borja, MBA
